

# Classy Buffs

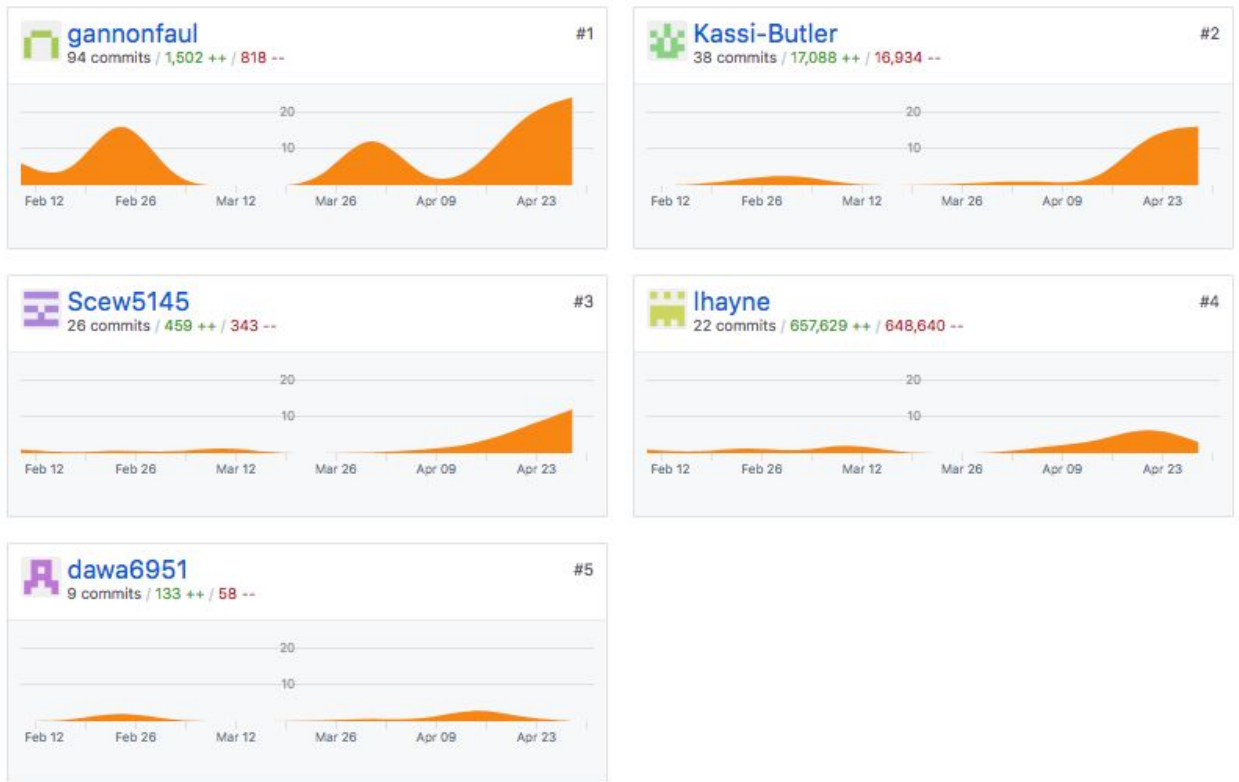

By Kassi Butler, Scott Ewing, Gannon Faul, Lucas Hayne, and D'Artagnan Wake

- Project Tracker:
  - <https://trello.com/b/WbCF7xuU>

- 
- VCS: <https://github.com/gannonfaul/csci3308-team-project>
- Deployment: Link to deployment environment or explain how to access/run.
  - Download code from our GitHub repository:  
<https://github.com/gannonfaul/csci3308-team-project>
  - Visit `chrome://extensions` in your browser (or open up the Chrome menu by clicking the icon to the far right of the Omnibox and select **Extensions** under the **Tools** menu to get to the same place).
  - Ensure that the **Developer mode** checkbox in the top right-hand corner is checked.
  - Click **Load unpacked extension...** to pop up a file-selection dialog.
  - Navigate to the directory in which your extension files live, and select it.
